Dear Friend,

On behalf of The Salvation Army, I am pleased to acknowledge the thoughtful and generous gift of \$3,131.53 received on 11/30/2020 for programs and services in the Tucson area.

When you gave, bonds grew stronger. Few things in this life are as important as family. That's why your gifts to The Salvation Army make such a vital difference. Thanks to you, we don't just help families with emergency food and water, housing, and utility assistance. We also strive to keep the family together, growing closer and stronger, all throughout their recovery.

The Salvation Army has a big story to tell and it belongs to you. Together, we are fulfilling a mission to transform our communities, and no matter where a family may be on life's journey, we're there when they need us most because you've "armed our soldiers" with kindness through your generosity.

Donor relations is about telling the story of your impact, and I would enjoy connecting with you to share an experience or two on behalf of those we serve and to thank you personally for being our ambassador for our organization. As always, I welcome your call or email and would be delighted to meet over lunch or coffee any time.

Yours in gratitude,

Derek A. Deegan | Donor Relations Director
